

Fur Practices

TJX's businesses around the world are fur-free. Our businesses also do not knowingly source goods containing angora (rabbit) or mohair (Angora goat) fibers. From time to time, our businesses may offer products containing shearling, haircalf, or hide. The process of procuring merchandise for our off-price model is complex, and if an item containing fur is mistakenly sent to our stores or e-commerce sites, we work quickly to remove the item.

We are also committed to continuous improvement in the ethical sourcing of products intended for sale in our businesses, and as part of our ongoing considerations regarding animal welfare, we include information about our fur practices in our social compliance training. Importantly, at all times, TJX is committed to conducting business in compliance with all applicable laws, rules, and regulations, including but not limited to, animal protection laws.
